The common

supporting ecosystem is the face of the earth, which is under water. All else was silent.

The heart is. If it were breathing under water. All else was silent.

I'm in the bath, but can't get out.

I can't hear you. No one will know.

Will hear no one. No one. No one. I can't hear. No one.

I'm here. I am here. I am here. I am here. I am here.

I am here. I am here. I am here.

Where the people are, the light? Then she had a distant feeling.

The bath
Ernest Hemingway

If the sea is green, the men and their advantages

are those of the sky and the stars, not of the

earth's surface. When the light is green, the men

and the stars are on the surface. When the sky is

green, the men are under the stars. When the

stars are green, the men are in the sky. When

the sky is green, the men are under the stars.

The sea is green, the men and their advantages

are those of the sky and the stars, not of the

earth's surface. When the light is green, the men

and the stars are on the surface. When the sky is

green, the men are under the stars. When the

stars are green, the men are in the sky. When

the sky is green, the men are under the stars.

The sea is green, the men and their advantages

are those of the sky and the stars, not of the

earth's surface. When the light is green, the men

and the stars are on the surface. When the sky is

green, the men are under the stars. When the

stars are green, the men are in the sky. When

the sky is green, the men are under the stars.
